Mailing Address: _____

Program (eg. Peru): _____

Before we start the process of issuing you with a refund I would like to take this opportunity bring the GVN Foundation to your attention. The Foundation's vision is to support the work of charitable organizations around the world that assist children, women, and the environment. Currently their focus is children, and they are working in countries around the world to end child poverty. See <http://www.gvnfoundation.org> Could I ask you to think about donating some of your program fee towards the GVN Foundation (eg their child sponsorship program).

Full Annual Orphanage Sponsorship (US\$360.00) covers the costs of one child's room and board, meals, education, healthcare, and clothing. Through the GVN Foundation we have children waiting for sponsorship in Kenya, Nepal, Peru, and Uganda. Though you can no longer volunteer yourself at this time, you can make a huge difference in the life of a child in need.

Know that any donation you give will make a difference, and will be greatly appreciated. The GVN Foundation is a 501(c)(3) tax-exempt nonprofit organization in the United States, therefore if you are from the US any donation you make to the GVN Foundation is tax deductible.

Please let me know which of the following options you prefer:

- 1. Please donate 80% of my program fee to the GVN Foundation.
- 2. Please donate 80% of my program fee to sponsor a child in _____.
- 3. Please donate 50% of my program fee to the GVN Foundation or towards child sponsorship in _____ and refund the remainder.
